

BOOK REVIEW FOR
WELSH FURNITURE 1250-1950 :
A CULTURAL HISTORY OF CRAFTSMANSHIP AND DESIGN

BY RICHARD BEBB

taken from: www.welshfurniture.com

"The strength of Richard Bebb's two volumes is their concentration on showing how the furniture traditions of Wales were deep rooted from medieval times through to the late 19th-century... painstakingly researched and well illustrated mainly in colour, a 'must buy' for the reference library of anyone who has an interest in furniture traditions within the kingdoms that make up the British Isles."
